Early Career Welcome and Networking

18th October 2022

18:00

Institution of Civil Engineers

Westminster

London

**RETURNING
FOR 2022**

Following the success of last year, the BGA ECG are hosting an evening of networking with attendance of academics and industry professionals.

Students and Early Career Professionals are invited to have conversations with event facilitators for the chance to win a coveted **BGA ECG prize!** Discussions may include the future of geotechnics, chartership progression and opportunities within industry and/or academia.

Drinks and nibbles throughout!

kindly sponsored by

Tensar[®]
